**BOROUGH OF RUNNEMEDE**  
**PART 1**  
**REPORT OF AUDIT OF FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED DECEMBER 31, 2010**

## **INDEPENDENT AUDITOR'S REPORT**

The Honorable Mayor and  
Members of the Borough Council  
Borough of Runnemede  
Runnemede, New Jersey 08078

We have audited the accompanying statements of assets, liabilities, reserves and fund balance-- regulatory basis of the various funds of the Borough of Runnemede, in the County of Camden, State of New Jersey as of December 31, 2010 and 2009, and the related statements of operations and changes in fund balance-- regulatory basis for the years then ended, and the related statement of revenues-- regulatory basis, statement of expenditures-- regulatory basis, and statement of general fixed assets group of accounts for the year ended December 31, 2010. These financial statements are the responsibility of the Borough's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1, the financial statements previously referred to have been prepared in conformity with accounting practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, which differ from accounting principles generally accepted in the United States of America. The effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

In our opinion, because of the effects on the financial statements of the requirement that the Borough prepare its financial statements in accordance with the accounting practices discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Borough of Runnemede, in the County of Camden, State of New Jersey, as of December 31, 2010 and 2009, or the results of its operations and changes in fund balance for the years then ended.

Furthermore, in our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, reserves and fund balance-- regulatory basis of the various funds of the Borough of Runnemede, in the County of Camden, State of New Jersey, as of December 31, 2010 and 2009, and the results of its operations and changes in fund balance-- regulatory basis of such funds for the years then ended, and the revenues-- regulatory basis, expenditures-- regulatory basis of the various funds, and general fixed assets, for the year ended December 31, 2010 in conformity with accounting principles and practices prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey as described in Note 1.

In accordance with Government Auditing Standards, we have also issued our report dated October 17, 2011 on our consideration of the Borough of Runnemede, in the County of Camden, State of New Jersey's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in conjunction with this report in assessing the results of our audit.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Borough of Runnemede's basic financial statements. The supplementary financial statements presented for the various funds are presented for purposes of additional analysis as required by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the financial statements of each of the respective individual funds and account group taken as a whole.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND  
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

The Honorable Mayor and  
Members of the Borough Council  
Borough of Runnemede  
Runnemede, New Jersey 08078

We have audited the financial statements (regulatory basis) of the Borough of Runnemede, in the County of Camden, State of New Jersey, as of and for the year ended December 31, 2010, and have issued our report thereon dated October 17, 2011, which indicated that the financial statements were not prepared in accordance with accounting principles generally accepted in the United States of America but were prepared on a regulatory basis of accounting prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and in compliance with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Borough of Runnemede's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Borough's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Borough's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying Schedule of Findings and Recommendations, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Borough's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the following deficiency described in the accompanying Schedule of Findings and Recommendations to be a material weakness: 2010-1.

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We did not identify any other deficiencies in internal control over financial reporting that we consider to be significant deficiencies as defined above.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Borough of Runnemede's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed one instance of noncompliance or other matters that is required to be reported under Government Auditing Standards and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs which is described in the accompanying Schedule of Findings and Recommendations as finding no.: 2010-2.

The Borough of Runnemede's response to the findings identified in our report are described in the accompanying Schedule of Findings and Recommendations. We did not audit the Borough of Runnemede's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the management of the Borough, the Division of Local Government Services, Department of Community Affairs, and is not intended to be and should not be used by anyone other than these specified parties.

**Notes to Financial Statements**  
**For the Year Ended December 31, 2010**

---

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Description of Financial Reporting Entity** - The Borough of Runnemede is a New Jersey Municipal corporation located in the County of Camden, approximately fifteen miles southeast of the City of Philadelphia. The population according to the 2010 census is 8,468.

The Borough has a Mayor-Council form of government where the Mayor is separately elected to a four-year term. The council consists of six members elected to three-year terms. However, executive and administrative responsibility rests with the Mayor, who is assisted by the Borough Clerk.

**Component Units** - The financial statements of the component units of the Borough of Runnemede are not presented in accordance with Governmental Accounting Standards Board Statement No. 14. If the provisions of GASBS No. 14 had been complied with, the financial statements of the following component units would have been either blended or discretely presented with the financial statements of the Borough, the primary government:

Runnemede Free Public Library  
Broadway and Elm Avenue  
Runnemede, New Jersey 08078

Annual financial reports may be inspected directly at the office of this component unit during regular business hours.

**Basis of Accounting, Measurement Focus and Basis of Presentation** - The financial statements of the Borough of Runnemede contain all funds and account groups in accordance with the "Requirements of Audit" as promulgated by the State of New Jersey, Department of Community Affairs, Division of Local Government Services. The principles and practices established by the Requirements of Audit are designed primarily for determining compliance with legal provisions and budgetary restrictions and as a means of reporting on the stewardship of public officials with respect to public funds. Generally, the financial statements are presented using the flow of current financial resources measurement focus and modified accrual basis of accounting with minor exceptions as mandated by these "Requirements". In addition, the prescribed accounting principles previously referred to differ in certain respects from accounting principles generally accepted in the United States of America applicable to local government units. The more significant differences are explained in this Note.

In accordance with the "Requirements", the Borough of Runnemede accounts for its financial transactions through the use of separate funds which are described as follows:

**Current Fund** - The Current Fund accounts for resources and expenditures for governmental operations of a general nature, including Federal and State grant funds.

**Trust Funds** - The various Trust Funds account for receipts, custodianship and disbursement of funds in accordance with the purpose for which each reserve was created.

**General Capital Fund** - The General Capital Fund accounts for receipt and disbursement of funds for the acquisition of general capital facilities, other than those acquired in the Current Fund.

**Sewer Utility Operating and Capital Funds** - The Sewer Utility Operating and Capital Funds account for the operations and acquisition of capital facilities of the municipally owned Sewer Utility.

---

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)****Basis of Accounting, Measurement Focus and Basis of Presentation (Cont'd)**

**Budgets and Budgetary Accounting** - The Borough of Runnemede must adopt an annual budget for its current and sewer utility funds in accordance with N.J.S.A. 40A:4 et seq. N.J.S.A. 40A:4-5 requires the governing body to introduce and approve the annual municipal budget no later than February 10 of each year. At introduction, the governing body shall fix the time and place for a public hearing on the budget and must advertise the time and place at least ten days prior to the hearing in a newspaper published and circulating in the municipality. The public hearing must not be held less than twenty-eight days after the date the budget was introduced. After the hearing has been held, the governing body may, by majority vote, adopt the budget or may amend the budget in accordance with N.J.S.A. 40A:4-9. Amendments to adopted budgets, if any, are detailed in the statements of revenues and expenditures.

An extension of the statutory dates for introduction, approval and adoption of the municipal budget may be granted by the Director of the Division of Local Government Services, with the permission of the Local Finance Board.

Budgets are adopted on the same basis of accounting utilized for the preparation of the Borough's financial statements.

**Cash, Cash Equivalents and Investments** - Cash and cash equivalents include petty cash, change funds and cash on deposit with public depositories. All certificates of deposit are recorded as cash regardless of the date of maturity. Investments are stated at cost. Consequently, unrealized gain or loss on investments has not been recorded in accordance with Governmental Accounting Standards Board Statement No. 31.

New Jersey municipal units are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States or of the State of New Jersey or in the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of investments which may be purchased by New Jersey municipal units. In addition, other State statutes permit investments in obligations issued by local authorities and other state agencies.

N.J.S.A. 17:9-41 et seq. establishes the requirements for the security of deposits of governmental units. The statute requires that no governmental unit shall deposit public funds in a public depository unless such funds are secured in accordance with the Governmental Unit Deposit Protection Act ("GUDPA"), a multiple financial institutional collateral pool, which was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey. Public depositories include State or federally chartered banks, savings banks or associations located in or having a branch office in the State of New Jersey, the deposits of which are federally insured. All public depositories must pledge collateral, having a market value at least equal to five percent of the average daily balance of collected public funds, to secure the deposits of Governmental Units. If a public depository fails, the collateral it has pledged, plus the collateral of all other public depositories, is available to pay the amount of their deposits to the Governmental Units.

The cash management plan adopted by the Borough of Runnemede requires it to deposit funds in public depositories protected from loss under the provisions of the Act.

**Note 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

**Interfunds** - Interfund receivables and payables that arise from transactions between funds are recorded by all funds affected by such transactions in the period in which the transaction is executed. Interfund receivables in the Current Fund are recorded with offsetting reserves which are created by charges to operations. Income is recognized in the year the receivables are liquidated. Interfund receivables in the other funds are not offset by reserves.

**Inventories of Supplies** - The costs of inventories of supplies for all funds are recorded as expenditures at the time individual items are purchased. The costs of inventories are not included on the various statements of assets, liabilities, reserves and fund balance.

**General Fixed Assets** - Accounting for Governmental Fixed Assets, as required by N.J.A.C. 5:30-5.6, differs in certain respects from accounting principles generally accepted in the United States of America. In accordance with the regulations, all local units, including municipalities, must maintain a general fixed assets reporting system that establishes and maintains a physical inventory of nonexpendable, tangible property as defined and limited by the U.S. Office of Management and Budget Circular A-87 (Attachment B, Section 19), except that the useful life of such property is at least five years. The Borough has adopted a capitalization threshold of \$1,000. Generally, assets are valued at historical cost; however, assets acquired prior to December 31, 1985 are valued at actual historical cost or estimated historical cost. No depreciation of general fixed assets is recorded. Donated general fixed assets are recorded at their estimated fair market value on the acquisition date. Interest costs relative to the acquisition of general fixed assets are recorded as expenditures when paid. Public domain ("infrastructure") general fixed assets consisting of certain improvements such as roads, bridges, curbs and gutters, streets and sidewalks and drainage systems are not capitalized. Expenditures for construction in progress are recorded in the Capital Funds until such time as the construction is completed and put into operation. The Borough is required to maintain a subsidiary ledger detailing fixed assets records to control additions, retirements and transfers of fixed assets. In addition, a Statement of General Fixed Assets, reflecting the activity for the year, must be included in the Borough's basic financial statements.

The regulations require that general fixed assets, whether constructed or acquired through purchase, grant or gift be included in the aforementioned inventory. In addition, property management standards must be maintained that includes accurate records indicating asset description, source, ownership, acquisition cost and date, the percentage of Federal participation (if any), and the location, use, and condition of the asset. Periodically, physical inventories must be taken and reconciled with these records. Lastly, all fixed assets must be adequately controlled to safeguard against loss, damage or theft.

**Utility Fixed Assets** - Property and equipment purchased by a utility fund are recorded in the utility capital account at cost and are adjusted for disposition and abandonment. The amounts shown do not represent replacement cost or current value. The Reserve for Amortization and Deferred Reserve for Amortization accounts in the utility capital fund represent charges to operations for the cost of acquisition of property and equipment and improvements and contributed capital.

**Foreclosed Property** - Foreclosed property is recorded in the Current Fund at the assessed valuation when such property was acquired and is fully reserved. Ordinarily it is the intention of the municipality to resell foreclosed property in order to recover all or a portion of the delinquent taxes or assessments and to return the property to a taxpaying basis. For this reason the value of foreclosed property has not been included in the General Fixed Assets Account Group. If such property is converted to a municipal use, it will be recorded in the General Fixed Assets Account Group.

---

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

**Deferred Charges** - The recognition of certain expenditures is deferred to future periods. These expenditures, or deferred charges, are generally overexpenditures of legally adopted budget appropriations or emergency appropriations made in accordance with N.J.S.A. 40A:4-46 et seq. Deferred charges are subsequently raised as items of appropriation in budgets of succeeding years.

**Liens Sold for Other Governmental Units** - Liens sold on behalf of other governmental units are not recorded on the records of the tax collector until such liens are collected. Upon their collection, such liens are recorded as a liability due to the governmental unit net of the costs of the initial sale. The related costs of sale are recognized as revenue when received.

**Fund Balance** - Fund Balances included in the current fund and utility operating fund represent amounts available for anticipation as revenue in future years budgets, with certain restrictions.

**Revenues** - Revenues are recorded when received in cash except for certain amounts which are due from other governmental units. Revenue from Federal and State grants are realized when anticipated as such in the Borough's budget. Receivables for property taxes are recorded with offsetting reserves on the statement of assets, liabilities, reserves and fund balance of the Borough's Current Fund; accordingly, such amounts are not recorded as revenue until collected. Other amounts that are due the Borough which are susceptible to accrual are also recorded as receivables with offsetting reserves and recorded as revenue when received.

**Property Tax Revenues** - Property tax revenues are collected in quarterly installments due February 1, May 1, August 1, and November 1. The amount of tax levied includes not only the amount required in support of the Borough's annual budget, but also the amounts required in support of the budgets of the County of Camden, Borough of Runnemede School District, and the Black Horse Pike Regional School District. Unpaid property taxes are subject to tax sale in accordance with the statutes.

**School Taxes** - The municipality is responsible for levying, collecting and remitting school taxes for the Borough of Runnemede School District and the Black Horse Pike Regional High School District. Operations is charged for the full amount required to be raised from taxation to operate the local and regional high school districts for the period from January 1 to December 31.

**County Taxes** - The municipality is responsible for levying, collecting and remitting county taxes for the County of Camden. Operations is charged for the amount due the County for the year, based upon the ratables required to be certified to the County Board of Taxation by January 10 of the current year. In addition, operations is charged for the County share of Added and Omitted Taxes certified to the County Board of Taxation by October 10 of the current year and due to be paid to the County by February 15 of the following year.

**Reserve for Uncollected Taxes** - The inclusion of the "Reserve for Uncollected Taxes" appropriation in the Borough's annual budget protects the Borough from taxes not paid currently. The Reserve, the minimum amount of which is determined on the percentage of collections experienced in the immediate preceding year, with certain exceptions, is required to provide assurance that cash collected in the current year will provide sufficient cash flow to meet expected obligations.

---

Note 1: **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)**

**Expenditures** - Expenditures are recorded on the "budgetary" basis of accounting. Generally, expenditures are recorded when paid. However, for charges to amounts appropriated for "other expenses", an amount is encumbered through the issuance of a numerically controlled purchase order or when a contract is executed in accordance with N.J.A.C. 5:30-5.2. When encumbered charges are paid, the amount encumbered is simultaneously liquidated in its original amount. Encumbrances are offset by an account entitled reserve for encumbrances. The reserve is classified as a cash liability under New Jersey municipal accounting. At December 31, this reserve represents the portion of appropriation reserves that has been encumbered and is subject to the same statutory provisions as appropriation reserves.

Appropriations for principal payments on outstanding general capital and utility bonds and notes are provided on the cash basis; interest on general capital indebtedness is on the cash basis; whereas interest on utility indebtedness is on the accrual basis.

**Appropriation Reserves** - Appropriation reserves covering unexpended appropriation balances are automatically created at year-end and recorded as liabilities, except for amounts which may be canceled by the governing body. Appropriation reserves are available, until lapsed at the close of the succeeding year, to meet specific claims, commitments or contracts incurred during the preceding fiscal year. Lapsed appropriation reserves are recorded as income.

**Long-Term Debt** - Long-Term Debt, relative to the acquisition of capital assets, is recorded as a liability in the General Capital and Utility Capital Funds. Where an improvement is a "local improvement", i.e. assessable upon completion, long-term debt associated with that portion of the cost of the improvement to be funded by assessments is transferred to the Trust Fund upon the confirmation of the assessments or when the improvement is fully and permanently funded.

**Compensated Absences and Postemployment Benefits** - Compensated absences for vacation, sick leave and other compensated absences are recorded and provided for in the annual budget in the year in which they are paid, on a pay-as-you-go basis. Likewise, no accrual is made for postemployment benefits, if any, which are also funded on a pay-as-you-go basis.

Note 2: **CASH AND CASH EQUIVALENTS**

**Custodial Credit Risk Related to Deposits** - Custodial credit risk is the risk that, in the event of a bank failure, the Borough's deposits might not be recovered. Although the Borough does not have a formal policy regarding custodial credit risk, N.J.S.A. 17:9-41 et seq. requires that governmental units shall deposit public funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act (GUDPA). Under the Act, the first \$250,000 of governmental deposits in each insured depository is protected by the Federal Deposit Insurance Corporation (FDIC). Public funds owned by the municipality in excess of FDIC insured amounts are protected by GUDPA. However, GUDPA does not protect intermingled trust funds such as salary withholdings, bail funds, or funds that may pass to the municipality relative to the happening of a future condition.

As of December 31, 2010, the Borough's bank balances of \$1,630,523.38 were fully insured and collateralized.

Note 8: **PENSION PLANS**

The Borough of Runnemede contributes to two cost-sharing multiple-employer defined benefit pension plans, the Public Employees' Retirement System (PERS) and the Police and Firemen's Retirement System (PFRS), which are administered by the New Jersey Division of Pensions and Benefits. Each plan has a Board of Trustees that is primarily responsible for its administration. The Division issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to:

State of New Jersey  
Division of Pensions and Benefits  
P.O. Box 295  
Trenton, New Jersey 08625-0295

**Public Employees' Retirement System** - The PERS was established in 1955. The PERS provides retirement, death, and disability, and medical benefits to qualified members. Vesting and benefit provisions are established by N.J.S.A. 43:15A and 43:3B.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 62, P.L. 1994, plan members enrolled in the Public Employees' Retirement System were required to contribute 5% of their annual covered salary. Effective July 1, 2008, however, in accordance with Chapter 92, P.L. 2007 and Chapter 103, P.L. 2007, plan members are required to contribute 5.5% of their annual covered salary. For employees enrolled in the retirement system prior to July 1, 2008, the increase is effective with the payroll period that begins immediately after July 1, 2008. The State Treasurer has the right under the current law to make temporary reductions in member rates based on the existence of surplus pension assets in the retirement system; however, the statute also requires the return to the normal rate when such surplus pension assets no longer exist.

The Borough is billed annually for its normal contribution plus any accrued liability. These contributions, equal to the required contributions, were as follows:

<u>Year</u>	<u>Normal Contribution</u>	<u>Accrued Liability</u>	<u>Total Liability</u>	<u>Pension Deferral</u>	<u>Funded by State(1)</u>	<u>Paid by Borough</u>
2010	\$62,801.00	\$61,276.00	\$124,077.00	---	---	\$124,077.00
2009	58,325.00	53,199.00	99,194.00	\$49,597.00	---	61,927.00
2008	59,939.00	46,191.00	106,130.00	---	\$21,266.00	84,904.00

**Police and Firemen's Retirement System** - The PFRS was established in 1944. The PFRS provides retirement, death, and disability, and medical benefits to qualified members. Vesting and benefit provisions are established by N.J.S.A. 43:16A and 43:3B.

The contribution requirements of plan members are determined by State statute. In accordance with Chapter 204, P.L. 1989, plan members enrolled in the Police and Firemen's Retirement System are required to contribute 8.5% of their annual covered salary. The State Treasurer has the right under the current law to make temporary reductions in member rates based on the existence of surplus pension assets in the retirement system; however, statute also requires the return to the normal rate when such surplus pension assets no longer exist.

Note 8: **PENSION PLANS (CONT'D)**

The Borough is billed annually for its normal contribution plus any accrued liability. These contributions, equal to the required contributions, were as follows:

<u>Year</u>	<u>Normal Contribution</u>	<u>Accrued Liability</u>	<u>Total Liability</u>	<u>Pension Deferral</u>	<u>Funded by State</u>	<u>Paid by Borough</u>
2010	\$242,644.00	\$159,023.00	\$401,667.00	---	---	\$401,667.00

2008	211,475.00	124,967.00	336,442.00	---	---	336,442.00

**Pension Deferral** – Public Law 2009, c.19 (S-21) was enacted on March 17, 2009 and allowed the Division of Pensions and Benefits to provide non-state government pension system employers the option of paying the full amount, or an amount that reflects a 50 percent reduction of the normal and accrued liability component of the PERS and PFRS obligations for payments due in the State fiscal year ending June 30, 2009. The payments were due on April 1, 2009 (with a grace period until April 30). The amount will be repaid starting in April of 2012 over a 15 year period. The amount will fluctuate based on pension system investment earnings on the deferred amount.

The Borough applied for and received approval from the Local Finance Board to defer a portion of the 2009 liability due for both PERS and PFRS.

**Related Party Investments** - The Division of Pensions and Benefits does not invest in securities issued by the Borough.

- (1) Under the provisions of Chapter 108, P.L. 2003 the City's share of the total normal contribution and accrued liability will increase approximately 20% per year until the City is paying 100% of the total normal contribution and accrued liability.

**Note 9: POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS**

The financial statements of the City are not prepared in accordance with Governmental Accounting Standards Board Statement No. 45. The following information is provided in accordance with the requirements of the Statement.

***Plan Description***

The Borough contributes to the Southern New Jersey Regional Employee Benefit Fund ("the SNJREBF"), a cost-sharing multiple-employer defined benefit postemployment healthcare plan. SNJREBF provides medical, prescription and dental coverage to retirees and their covered dependents. The SNJREBF was formed as a purchasing group effective August 1, 1992 and became a member of the Bergen Municipal Employee Benefits Fund (B-Med) as of September 1, 1992. In 1995 the Fund became an independent health insurance joint insurance fund pursuant to NJSA 40A:10-36 et. seq. and NJAC 11:15-3 when the fund received approval from the New Jersey Department of Insurance. The Fund is operated in accordance with regulations of the New Jersey Department of Insurance and the Division of Local Government Services of the Department of Community Affairs. The Fund was established for the purpose of containing medical costs. The SNJREBF issues a publicly available financial report that includes financial statements and required supplementary information for the SNJREBF. That report may be obtained by writing to Southern New Jersey Regional Employee Benefits Fund, Connor Strong Companies, Inc., PO Box 989, Marlton, New Jersey 08053.

***Funding Policy***

All members' assessments, including a reserve for contingencies, are based on annual actuarial assumptions determined by the Fund's Actuary and on monthly and quarterly adjustments determined by the Fund's Actuary and Program Manager based on actual loss experience. The Commissioner of Insurance may order additional assessments to supplement the Fund's claim, loss retention or administrative accounts to assure the payment of the Fund's obligations.

The Borough pays monthly premiums to the SNJREBF for its benefits. These benefits are funded on a pay-as-you-go basis and therefore are not recorded as accrued expenses. The Borough contributions to the SNJREBF for the years ended December 31, 2010, 2009, and 2008, were \$152,795.00, \$117,061.00, and \$137,304.00, respectively, which equaled the required contributions for each year. There were 12, 10, and 13 retired participants eligible at December 31, 2010, 2009, and 2008, respectively.

An actuarial calculation is required to be performed as of December 31, 2010. The Borough submitted the requested information but the calculations have not yet been completed by the Fund.

**Note 10: COMPENSATED ABSENCES**

Borough employees are entitled to five paid sick leave days during their first year of service, eight days beginning their second year of service, ten days beginning with their sixth year of service, and fifteen days beginning their tenth year of service. Unused sick leave may not be accumulated or carried forward to subsequent years. Borough employees are entitled to one week vacation time during their first year of service; two weeks beginning with their second year of service, and three weeks beginning with their fifth year of service; four weeks beginning with their eleventh year of service; and after fifteen years of service, employees are entitled to five weeks and one additional vacation day for each year of service over twenty, up to thirty. Vacation days not used during the year may not be accumulated and carried forward, except for police officers. Police officers may carry forward days to the subsequent year with approval of the Chief of Police.

The Borough does not record accrued expenses related to compensated absences. However, it is estimated that, at December 31, 2010, accrued benefits for compensated absences are valued at \$162,665.11.

Note 11: **DEFERRED COMPENSATION SALARY ACCOUNT**

The Borough offers its employees a Deferred Compensation Plan in accordance with Internal Revenue Code Section 457 which has been approved by the Director of the Division of Local Government Services. The Plan, available to all full time employees at their option, permits employees to defer a portion of their salary to future years. The deferred compensation is not available to participants until termination, retirement, death or unforeseeable emergency.

Amounts deferred under Section 457 plans must be held in trust for the exclusive benefit of participating employees and not be accessible by the Borough or its creditors. Since the Borough does not have a fiduciary relationship with the Plan, the balances and activities of the Plan are not reported in the Borough's financial statements.

Note 12: **RUNSEN HOUSE SENIOR CITIZEN FACILITY**

On February 12, 1992, the Borough of Runnemede adopted Ordinance 92-1 entitled Senior Citizen Facility. The facility consists of 81 residential one-bedroom rental units for low-income eligible occupants. On March 2, 1993, the Borough of Runnemede increased the amount of the loan by \$50,000.00 by adopting Ordinance 93-1.

***Schedule of Financial Statement Findings***

This section identifies the significant deficiencies, material weaknesses, and instances of noncompliance related to the financial statements that are required to be reported in accordance with Government Auditing Standards and with audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey.

**Finding No. 2010-1**

**Criteria or Specific Requirement**

Pursuant to N.J.A.C. 5:30-5.7, a general ledger accounting system shall be maintained.

**Condition**

The Borough's bank accounts were not reconciled monthly and financial transactions were not recorded in the general ledger and supporting journals on a timely basis.

**Context**

A general ledger accounting system provides a summary of all financial transactions as they have been recorded in the books of original entry, using a double entry, self-balancing accounting system with the general ledger facilitating the preparation of financial statements. The general ledger, together with the books of original entry and supporting subsidiary ledgers constitutes the complete accounting system.

**Effect**

Non-compliance with N.J.A.C. 5:30-5.7. In addition, errors or irregularities could develop and go undetected on a timely basis.

**Cause**

Insufficient controls over the monthly preparation and reconciliation of the Borough's financial records.

**Recommendation**

That bank reconciliations be prepared monthly and all financial transactions be reconciled and recorded in the general ledger and supporting journals on a timely basis.

**View of Responsible Officials and Planned Corrective Action**

The responsible officials agree with the finding and will address the matter as part of their corrective action plan.

***Schedule of Financial Statement Findings (Cont'd)***

**Finding No. 2010-2**

**Criteria or Specific Requirement**

Pursuant to Local Public Contracts Law, the Chief Financial Officer must certify in writing the availability of funds prior to the award of contracts. In addition, N.J.S.A 40A:5-17 requires governing bodies to approval of bills for payment.

**Condition**

Our audit of compliance with Local Public Contracts Law revealed the following:

1. Certificates of availability of funds were not always filed prior to the award of applicable contracts.
2. Five disbursements tested could not be traced to the bill lists approved in the minutes.

**Context**

Two of five certificates of availability of funds tested were not filed. Five of twenty-five disbursements tested could not be traced to the bill lists approved in the minutes.

**Effect**

Non-compliance with Local Public Contracts Law and N.J.S.A 40A:5-17.

**Cause**

Oversight.

**Recommendation**

That the Borough comply with regulations as set forth by Local Public Contracts Law and N.J.S.A 40A:5-17.

**View of Responsible Officials and Planned Corrective Action**

The responsible officials agree with the finding and will address the matter as part of their corrective action
