## ORDINANCE #14-20

### AN ORDINANCE AMENDING AND SUPPLEMENTING THE ZONING ORDINANCE OF THE CODE OF THE BOROUGH OF RUNNEMEDE TO REVISE THE SIGN STANDARDS IN SECTION 395-18

**WHEREAS**, the Borough of Runnemede strives to adopt and implement land use regulations that advance the goals and objectives of the Borough as set forth in the Master Plan, and that enable fair and consistent application of the zoning regulations; and

**WHEREAS**, the Mayor and Borough Council of the Borough of Runnemede, County of Camden, and State of New Jersey (the "Borough"), have reviewed the Runnemede Master Plan Reexamination and Recommendations adopted by the Planning Board of the Borough of Runnemede on December 8, 2010; and

**WHEREAS**, Borough Council has adopted Ordinance 11-02 and Ordinance 14-02, which have updated the Borough zoning map and amended the zoning code to implement some, but not all of the recommendations of the 2010 Master Plan Reexamination and Recommendations; and

**WHEREAS**, the Master Plan recommends that the sign code be updated with comprehensive sign standards to regulate size, placement, height, and copy; and to encourage aesthetically pleasing design; and

**WHEREAS**, the Borough aims to provide for a comprehensive sign regulation system to be applied fairly and consistently throughout the Borough; and

**WHEREAS**, as various situations and circumstances have arisen that were not accounted for when the sign regulations were initially enacted, it has come to the attention of Borough officials that a more comprehensive set of guidelines is needed to respond to the needs of the residents, businesses, community facilities, and institutions in the Borough while protecting the interests of the community overall; and

**WHEREAS**, the Mayor and Borough Council are empowered by law to alter the zoning regulations through the adoption of ordinances; and

**WHEREAS**, this Ordinance was referred to the Planning Board of the Borough of Runnemede for review and recommendation pursuant to the New Jersey Municipal Land Use Law; and

**WHEREAS**, the Planning Board of the Borough of Runnemede reviewed the Ordinance at various meetings and has recommended the adoption of this Ordinance and has determined that it is consistent with the Borough Master Plan.

**NOW, THEREFORE**, be it ordained by the Mayor and Council of the Borough of Runnemede that the Runnemede Zoning Code be supplemented and amended as follows:

**SECTION I.** AMEND SECTION 395-4 Definitions to add the following in the appropriate alphabetical location:

**SIGHT TRIANGLE:** A triangular-shaped portion of land established at street intersections or at intersections of driveways and streets in which nothing is erected, placed, planted, or allowed to grow in such a manner as to limit or obstruct the sight distance of motorists entering or leaving the intersection (also known as a sight easement).

**SIGN-** Any object, device, display or structure, or part thereof, situated outdoors that is used to advertise, identify, display, direct, or attract attention to an object, person, institution, organization, business, product, service, event, or location by any means including words, letters, figures, design, symbols, fixtures, colors, illumination, or projected images; and including banners, pennants, flags and similar devices. "Signs" do not include: the flag or emblem of any nation, federal state, or municipal government; merchandise, pictures or models of products or services incorporated in an indoor window display; works of art that in no way identify a product; score boards located on athletic fields.

**SIGN, ANIMATED-** Any sign or part of a sign that changes physical position, light intensity, or colors and that requires electrical energy. This definition does not include signs which indicate time, temperature, or date.

**SIGN, BANNER-** A temporary sign constructed of cloth, canvas, plastic, or other flexible material, typically suspended or hung by cord, string, or rope from a structure.

**SIGN, BILLBOARD-** A sign structure and/or sign utilized for advertising an establishment, an activity, a product, service or entertainment, which is sold, produced, manufactured, available or furnished at a place other than on the property on which said sign structure and/or sign is located.

**SIGN, CHANGEABLE COPY-** A sign designed to allow the changing of copy through manual, mechanical, or electrical means including time and temperature.

**SIGN, DIRECTIONAL-** Signs limited to directional messages such as "enter" or "exit", principally for pedestrian and vehicular traffic.

**SIGN, DIRECTORY-** A sign listing the tenants or occupants of a building or group of buildings and that may indicate their respective professions or business activities.

**SIGN, FAÇADE -**The sign fastened to or painted on the wall of a building or structure in such a manner that the wall becomes the supporting structure for, or forms the background surface of the sign and that does not project more than twelve (12") inches from such building or structure.

**SIGN, FREESTANDING -**Any non-movable sign not affixed to a building. Freestanding signs include monument (ground) signs and pole (pylon) signs.

**SIGN, MENU-** A sign associated with a drive-through eating establishment, which lists the foods and beverages available for sale, along with the price per item. Where menu signs are permitted, the name of the restaurant that the drive-through is connected may be included on the sign, as well as the logo.

**SIGN, MONUMENT-** A freestanding sign, also known as a ground sign; that is attached to the ground such that the entire bottom is in contact with the ground and is independent of any other structure.

**SIGN, MULTIPLE OCCUPANCY-** Signs relating to a use or facility containing multiple occupancy and tenancy and displaying the various names, professions, and interests of the various tenants.

**SIGN, NONCONFORMING –** A sign lawfully erected and maintained prior to the adoption of the current ordinance; that does not conform to the requirements of the current ordinance.

**SIGN, TEMPORARY -** A sign or advertising display designed or intended to be displayed for a limited period of time and that is not permanently affixed to a building, structure, or the ground.

**SIGN, WINDOW-** A permanent sign that is painted or mounted onto a windowpane, or that is hung directly inside a window solely for the purpose or effect of identifying the premises from the sidewalk or street; or a temporary sign advertising special sales, events, or products.

**SIGN AREA:** That area enclosed by one continuous line connecting the extreme points or edges of a sign, including the advertising surface and any framing, trim, or molding but not including the supporting structure. Except where specifically prohibited, all signs may be double-faced, and the maximum area restrictions shall apply to each side of the sign. Where the sign is supported by a post or pylon whose surface is being used for advertising purposes, the area of this post, pylon or other supporting members shall be considered as part of the total allowable sign area. Where the name or advertising message on a sign is divided between a number of panels or parts, the total area of all of the panels or parts shall be considered as one sign, and where a sign consists of individual letters or numbers (such as for channel letters on a façade sign), the area of the sign shall be considered as the total area of

the smallest rectangle or rectangles which can collectively enclose all of the letters or numbers, including any open space or hole within the signs face or any appendage protruding outside the sign's face.

**SIGN HEIGHT-** In the case of a freestanding sign, sign height is computed from grade level to the greatest height at any one point in the sign.

**SIGN ILLUMINATION** – A sign illuminated by or exposed to artificial lighting, either by lights on or in the sign or directed to the sign.

a) External – Illumination of a sign that is affected by an artificial source of light not contained within the sign itself.

b) Internal – A light source that is concealed or contained within the sign and becomes visible in darkness through a translucent surface.

c) Indirect – A source of external illumination, located away from the sign that lights the sign, but is not itself visible to persons viewing the sign from the adjacent street, sidewalk or property.

**SECTION II.** REVISE SECTION 395-18 "Signs" in its entirety to read as follows:

**§ 395-18. Signs.**

- A. Applicability. The provisions of this chapter shall apply to the construction, erection, alteration, use, type, number, location, size, design, and maintenance of all signs. This chapter is intended to regulate and control signs and their placement and construction throughout the Borough of Runnemede. Each site plan or subdivision application shall include, where necessary, a sign plan showing the specific design, location, size, height, construction and illumination of proposed signs in accordance with the regulations within this chapter. All signs require a sign permit from the Construction Code Official or Zoning Officer unless specifically exempted, regardless of whether or not the sign is proposed in conjunction with a site plan or subdivision application.
- B. Purpose and Intent. The purpose of the sign regulations is to provide a legal framework for a comprehensive and balanced system of signage that will preserve the right of free speech and expression, provide an easy and pleasant communication between people and the built environment, protect the scenic qualities of the Borough, and avoid visual clutter that is potentially harmful to the character of the community, the aesthetics of the Borough, and potentially unsafe for motorists and pedestrians. The sign regulations are intended to minimize the potential for safety hazards, create a more productive, enterprising and professional business atmosphere, and to enhance the architectural and aesthetic character of each zoning district.
- C. Fees. The fee for a sign application and permit is \$25.00. This applies to both permanent and temporary signs.
- D. Definitions. The definitions in section 395-4 apply.
- E. Grandfather Clause. Signs that legally existed prior to the effective date of the sign code section rendering the sign nonconforming are afforded "grandfathered" status and may continue to exist as conforming signs, until such time as they are altered as set forth in section H(3) below.
- F. Exempt Signs. The following signs are exempt from the need to secure permits.
- (1) Signs required by law
  - (2) Official government agency signs, including traffic control or police signs, emergency, historical markers, and signs posted by governmental agencies.
  - (3) Any sign carried by a person

- (4) Decorations for any officially recognized holiday, provided they do not create a fire or traffic hazard and provided that the decorations are removed within 30 days after the holiday.
  - (5) Political signs associated with an election or referendum provided that such signs are on private property, and are erected no more than 30 days prior to the election and are removed within 7 days after the day of voting.
  - (6) Temporary yard or garage sale signs, provided that such signs are erected on private property, are no more than 4 square feet in area, are erected no more than seven days before the sale and are removed within 48 hours after the sale (and in accordance with chapter 199).
  - (7) Temporary real estate signs on the lot on which the real estate for rent or for sale is located shall be limited to one per lot frontage. The signs may not be more than four (4) square feet and four (4) feet high for residential property and eight (8) square feet and six (6) feet high for commercial property. The real estate sign must be removed within fourteen (14) days of closing the sale or rental of the property. Open house signs are permitted only on the day of the open house and not within the public right-of-way.
  - (8) Temporary (30 days or less) banners advertising special community events sponsored by or held by the Borough, County, school district, fire department, or other public entity.
  - (9) American, State, County and Borough flags.
  - (10) No Trespassing Signs
  - (11) Signs not exceeding one square foot in area and bearing only property numbers, post box numbers or names of occupants of premises.
  - (12) Directional signs and entrance and exit signs on commercial properties, provided that such sign does not exceed two square feet in area and does not contain an advertising message, and further provided that the number and location of said signs area approved by the Planning Board pursuant to the Board's procedures.
  - (13) Permanent and temporary window signs visible from the exterior of the building, provided that no more than 25% of the total window and door areas may be covered or obscured by window signs.
  - (14) Integral decorative or architectural features of buildings that do not include letters, trademarks, moving parts, or moving lights
- G. Prohibited Signs. Any other provisions of this section notwithstanding, the following signs shall be prohibited in all zoning districts unless otherwise specified:
- (1) Signs which contain or are an imitation or simulation of an official traffic signal, directional, or warning sign erected or maintained by the State of New Jersey, Camden County or Borough of Runnemede.
  - (2). Signs that hide or obstruct from view any traffic signal or sign, or that obstruct sight triangles.
  - (3). Signs which are designed to move, flash, scroll, or display movement or the illusion of movement, either by mechanical or other means.
  - (4). Signs which contain or consist of banners, posters, pennant ribbons, streamers, strings of light bulbs, spinners, or other similarly moving devices (this does not include permitted flags or permitted temporary signs).
  - (5) Signs which emit odors or smoke or produce noise or sound.

- (6) Signs located or placed on any tree, telephone or utility pole, light standard or upon rocks or other natural features.
- (7) Signs projecting above the roof or the main cornice line of the building to which it is affixed.
- (8) Outdoor, off-site commercial advertising signs/billboards and signs located on a lot other than the lot occupied by the use, event, or product which such sign advertises.
- (9) Portable Signs, such as those on wheels.

#### H. General Regulations and Requirements

- (1) Any sign hereafter erected in Runnemede Borough which is exposed to public view shall conform with the provisions of this article and any other ordinance or regulation of Runnemede Borough, Camden County, or the state or federal government relating to the erection, alteration or maintenance of signs. In the event of conflicting regulations, the most restrictive regulation shall prevail. Signs shall be considered accessory uses in all zoning districts when placed in association with a principal use on the same site and when placed in conformance with the provisions of this chapter.
- (2) Sign Plan Requirements. No sign other than exempt signs shall be erected without first obtaining a permit from the Code Official. Permit applications for signs larger than 2 square feet in area shall be accompanied by a plan, drawn to scale, showing details of the sign including dimensions and size, materials, and method of illumination. For façade signs the location on the building must be identified. For freestanding signs the location on the lot and setbacks from the property lines must be shown. A color photograph of each existing sign on the property shall be submitted with the permit application.
- (3) Nonconforming signs that are structurally altered, relocated or replaced shall comply with the provisions of this chapter. A change in copy for a permitted sign is not an alteration or replacement in accordance with this subsection. Nonconforming signs must be maintained in good condition. If the use of a nonconforming sign ceases for a period of more than 180 days or if the premises upon which the nonconforming sign is located is abandoned, the nonconforming sign must be removed.
- (4) All signs, flags, and banners as provided for in these regulations shall be kept in proper state of repair, in accordance with the Uniform Construction Code and other pertinent regulations. Signs that fall into a state of disrepair so as to become unsightly or to pose a threat to public safety will receive a warning via Certified Mail from the Zoning Officer, and if after 30 days the sign has not been removed, it may be removed by the Borough at the owner's expense.
- (5) No sign other than official traffic or other similar official signs shall be erected within or project over the right-of-way of any public street or sidewalk except as provided herein.
- (6) Signs shall not be located at the intersection of any streets within the triangular area formed by the right-of-way lines, and a line connecting them at points 25 feet from their intersection. No sign may be placed within a sight triangle as defined by Camden County standards and no sign shall impede or endanger the safety of motorists and pedestrians.
- (7) Illuminated signs in residential zoning districts and in all districts when the lot is immediately adjacent to (including directly across a street) a residential district, must be turned off between the hours of 10 pm and 6 am. This does not apply to residential name plates.
- (8) All ground (monument) and freestanding signs must be a minimum of 50 feet from the nearest other freestanding sign.

- (9) Electronic message boards are permitted for institutional uses as set forth in section J(5) below.
- (9) Architectural details may extend up to 18 inches on the sides and top of the sign (but may not exceed the permitted height). For monument or ground signs, the architectural base may be up to 36 inches above grade. More expansive walls or architectural elements require site plan approval.
- (10) Façade/Wall signs shall be attached to the face of the building in a plane parallel to such face and projecting not more than twelve (12) inches and shall not extend higher than the top of the parapet. Wall signs shall not cover any doors or windows, nor shall they extend beyond the ends of the wall.
- (12) Ground or freestanding signs must have the address of the site identified on the sign.
- (13) The size of any sign shall be computed by multiplying its greatest height by its greatest length, exclusive of supporting structures. See also the definition of SIGN AREA.
- (14) Signs advertising an establishment or use no longer in existence, or a product no longer available shall be removed within 14 days.
- (15) Each sign may have a principal message identifying the name of the business and the service offered. Additional advertising of products and services is not permitted on the sign.
- (16) There should be a consistent sign design theme throughout a particular project. The design theme should include style of lettering, illumination, color, height, construction material, size, and type of sign structure. Color of letters and background should be considered in relation to the color and material of the buildings and where the signs are proposed to be located. Signs should be a subordinate feature of the plan relative to the principal structure. The design of a sign must be integrated into the design of the building to which it relates.

#### I. Temporary Signs Requiring a Permit

- (1) A temporary sign may be erected for residential developments or commercial sites that are under construction. The temporary sign must meet the setback and size requirements for the zone and may not be installed until construction has commenced. The sign must be removed within one year or upon installation of the permanent signs.
- (2) Temporary "grand opening" or special "sale" signs are permitted for commercial uses including occupants of a shopping center on a limited basis. Such sign may not exceed 24 square feet. Each site or use may display such signs for not more than a total of six (6) weeks out of a calendar year. The sign must comply with all requirements to protect the public health and safety.

#### J. Sign Standards for Residential Zones and Residential Uses.

- (1) Name plate and address. Single family residential lots may erect a name plate and/or address not exceeding one and one-half (1.5) square feet in area situated within the property lines and not exceeding 3 feet in height.
- (2) Sale & Rental. No more than one (1) non-illuminated temporary real estate sign indicating the prospective or completed sale, lease, or rental of the premises upon which it is located, which conform to the following:
  - a. Maximum sign area is four (4) square feet and maximum height is four (4') feet.
  - b. Such sign shall be removed within fourteen (14) days after consummation of a lease or sales transaction.

- (3) Residential Subdivision. Permanent identification signs for major subdivisions or multi-family residential developments shall conform to the following:
  - a. Size shall not exceed twenty (20) square feet in area and six (6) feet in height.
  - b. One (1) sign per street frontage (frontage of the development on an arterial road) is permitted or one sign per entry into the development provided that the entrances are separated by a minimum of three hundred (300') feet, with a maximum of two (2) signs.
  - c. Signs must be setback a minimum of ten (10) feet from the right-of-way.
  - d. Development signs that are proposed within a median must be shown on the final subdivision plan.
  - e. For fee simple subdivision developments, development signs should be placed on land owned and maintained by a Homeowners Association or must be placed in a sign easement dedicated to the HOA for maintenance of the sign.
- (4) Projects Under Development. A sign indicating development of premises by a builder, construction company, or developer shall conform to the following:
  - a. Size shall not exceed twelve (12) square feet in area and six (6) feet in height.
  - b. Signs shall be limited to one (1) sign per street frontage or one (1) sign for every three hundred (300') feet of street frontage with a maximum of two (2) signs.
  - c. The sign shall not be erected until the site plan or subdivision application is approved by the Planning or Zoning Board.
  - d. The sign shall be removed once the project is completed or upon the issuance of the final C.O.
- K. Signs for Public, Semi-Public, and Institutional Uses. The following standards apply to signs for public, semi-public, and institutional uses such as public or parochial schools, churches or places of worship, playgrounds, parks, government buildings, utility uses, etc.
  - (1) One freestanding monument sign is permitted per street frontage to identify the site.
  - (2) Maximum sign area for freestanding monument sign is twenty-four (24) square feet.
  - (3) Maximum freestanding sign height is eight (8') feet.
  - (4) Minimum setback from property lines is 10 feet.
  - (5) In addition to the 24 square foot maximum, a changeable copy or electronic message board a maximum of sixteen (16) square feet in area may be included as part of the sign (must be attached and not a separate sign) for public schools, public parks and playgrounds, churches, libraries, and government buildings only.
    - a. The message may not change more often than every 30 seconds,
    - b. The message board may only have one color
    - c. If in a residential zone or adjacent to a residential zone the message board must be turned off between 10pm and 6am.

- (6) One façade sign is permitted per street frontage, not to exceed thirty-two (32) square feet in area.

L. Signs for General Office (GO) Zone.

- (1) Each business establishment with access from the outside shall be permitted one (1) façade sign located on or attached to the principal façade of said establishment on each street frontage.
- (2) Façade signs may not exceed 15% of the principal façade area or forty (40) square feet whichever is less.
- (3) Each site may have one freestanding monument style sign per street frontage, not to exceed twenty (20) square feet and six (6) feet in height.
- (4) Freestanding signs must be set back a minimum of five (5) feet from the right-of-way and a minimum of ten (10) feet from side property lines.
- (5) Signs may be internally or externally illuminated. Internal illumination for signs must be designed so that only the letters (copy) are translucent and the remainder of the sign is opaque. External illumination must be directed at the sign as not to cause glare.
- (6) A total increase in size and height of up to 10% may be allowed for monument or ground signs that are designed with carved or sandblasted copy and borders and a brick or stone base that complement the building design.
- (7) The base of a freestanding or monument sign shall have a landscaped area around the base, a minimum of 1.5 times the area of the sign. For example a 24 square foot sign must have a minimum 36 square foot landscaped area consisting of evergreen shrubs, ground cover, flowers, or other plant material.

M. Signs for Commercial (C) and Special Economic Development (SED) Zones

(1) Retail, Restaurant, and Service uses.

- a. Each business establishment on the ground floor of a structure may have one (1) façade sign located or attached to the principal façade of said establishment on each street frontage and one freestanding sign on each street frontage.
- b. Buildings that have secondary facades visible from public areas from multiple directions within a site may have a second façade sign facing the parking area or internal access drive. The second façade sign may not be at the rear of a building when the rear is primarily a service and loading area.
- c. Façade signs may not exceed 15% of the principal façade area or eighty (80) square feet, whichever is less. Retail stores containing more than 20,000 square feet GLA may have a façade sign not exceeding 100 square feet.
- d. Each freestanding sign shall not exceed 20 square feet for each 50 feet of roadway frontage or eighty (80) square feet, whichever is less.
- e. Each freestanding sign must be set back a minimum of 5 feet from the right-of-way (property line) and shall not exceed sixteen (16) feet in height. The support structure must be designed to with brick, stone or other architectural material to complement the building and site.
- f. A total increase in size of up to 10% may be allowed for monument or ground signs that do not exceed 8 feet in height and are designed with carved or sandblasted copy and borders and a brick or stone base that complement the building design.

- g. Signs may be internally or externally illuminated. Internal illumination for signs must be designed so that only the letters (copy) are translucent and the remainder of the sign is opaque. External illumination must be directed at the sign as not to cause glare.
- h. The base of a freestanding or monument sign shall have a landscaped area around the base, a minimum of 1.5 times the area of the sign. For example a 24 square foot sign must have a minimum 36 square foot landscaped area consisting of evergreen shrubs, ground cover, flowers, or other plant material.
- i. Where a freestanding sign is not proposed in the C zone (such as when the building is close to the right-of-way), a business may instead install a hanging sign to identify the business for pedestrians. The hanging sign may not exceed four (4) square feet and the bottom of the sign must be a minimum of seven feet above the ground.

(2) Signs for Shopping centers or Planned Commercial Developments.

- a. Shopping Centers or commercial developments with more than one use on a site are permitted one multiple occupancy monument/ground or freestanding sign per street frontage, which may include tenant panels. Individual tenants or occupants may have wall or façade signs or other attached signs as described below, but may not have individual ground or freestanding signs.
- b. Maximum Area for freestanding sign for a shopping center is 25 square feet for every 50 feet of roadway frontage, not to exceed 125 square feet.
- c. Minimum set back from the right-of way for a freestanding sign is five (5) feet and the maximum height is sixteen (16) feet. The support structure must be designed to with brick, stone or other architectural material to complement the building and site.
- d. Façade signs may not exceed 15% of the principal façade area or eighty (80) square feet, whichever is less. Retail stores containing more than 20,000 square feet GLA may have a façade sign not exceeding 100 square feet.
- e. A total increase in size of up to 10% may be allowed for monument or ground signs that do not exceed 8 feet in height and are designed with carved or sandblasted copy and borders and a brick or stone base that complement the building design.
- f. Signs may be internally or externally illuminated. Internal illumination for signs must be designed so that only the letters (copy) are translucent and the remainder of the sign is opaque. External illumination must be directed at the sign as not to cause glare.
- g. The base of a freestanding or monument sign shall have a landscaped area around the base, a minimum of 1.5 times the area of the sign. For example a 24 square foot sign must have a minimum 36 square foot landscaped area consisting of evergreen shrubs, ground cover, flowers, or other plant material.

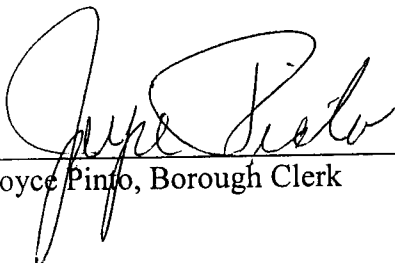

(3) Signs for Office and Industrial Use.

- a. Each office or industrial structure is permitted one (1) façade sign, identifying the name of the building, located on or attached to the principal façade on each street frontage.
- b. Any individual business within an office or industrial structure may only have its own façade sign if there is direct public access from the building to the outside.
- c. Façade sign size shall not exceed an area equal to or less than ten (10%) percent of the principal façade area (including window and door area) on which they are displayed, or a maximum of fifty (50) square feet.

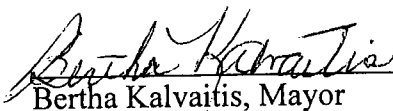

- d. Freestanding Sign. Each office or industrial building may have one (1) ground/monument sign on each street frontage, set back a minimum of five (5) feet from the right-of-way and ten (10) feet from side property lines. The maximum freestanding sign area is thirty (30) square feet and the maximum height is eight (8) feet.
  - e. A total increase in size and height of up to 10% may be allowed for monument or ground signs that are designed with carved or sandblasted copy and borders and a brick or stone base that complement the building design.
  - f. Signs may be internally or externally illuminated. Internal illumination for signs must be designed so that only the letters (copy) are translucent and the remainder of the sign is opaque. External illumination must be directed at the sign as not to cause glare.
  - g. The base of a freestanding or monument sign shall have a landscaped area around the base, a minimum of 1.5 times the area of the sign. For example a 24 square foot sign must have a minimum 36 square foot landscaped area consisting of evergreen shrubs, ground cover, flowers, or other plant material.
- (4) Menu Signs for permitted drive through restaurants. Drive-through restaurants are permitted one (1) menu sign, which may include the name and logo of the restaurant to which the drive-through is attached, and shall conform to the following:
- a. Maximum area is 45 square feet
  - b. Maximum height is seven feet six inches (7' 6")

(5) Signs for Gasoline Filling Stations.

- a. Where a gasoline filling station has been permitted by zoning or by variance a sign is permitted on the canopy covering the gas pump islands.
- b. One sign is permitted per street frontage and the maximum permitted area per sign is sixteen (16) square feet.
- c. The minimum clearance under the sign and canopy is 10 feet.

**BOROUGH OF RUNNEMEDE**

**ORDINANCE #14-21**

**AN ORDINANCE REGULATING CLASSIFICATION OF APPLICANTS FOR THE  
POLICE DEPARTMENT IN THE BOROUGH OF RUNNEMEDE**

**WHEREAS** Civil Service rules, regulations and the laws of the State of New Jersey allow the municipality to classify eligible candidates for its Police and Fire Departments according to residency, and

**WHEREAS** it would be in the best interest of the Borough of Runnemede to have as many local residents as possible to be on its Police Department, as to promote better standard of public safety.

**NOW, THEREFORE, BE IT ORDAINED**, by the governing body of the Borough of Runnemede in the County of Camden, and State of New Jersey, that Section 50-2 of the Code of the Borough of Runnemede, County of Camden, State of New Jersey is hereby amended to read as follows:

**§ 50-2 – Eligibility**

A. No person shall be appointed an officer or member of the police force unless he is a citizen of the United States; is sound in body, of good health sufficient to satisfy the Board of Trustees of the Police and Firemen's Retirement System of New Jersey that such person is eligible to membership in the retirement system; is able to read, write and speak the English language well and intelligently; and is of good moral character. No person shall be so appointed who has been convicted of any crime involving moral turpitude which, in the judgment of the Mayor and Council of the Borough of Runnemede, would be prejudicial to the morale of the police force.

B. Before any person shall be appointed as a member of the Police Department, the Borough shall classify all the duly qualified applicants for the position or positions to be filled in the following classes:

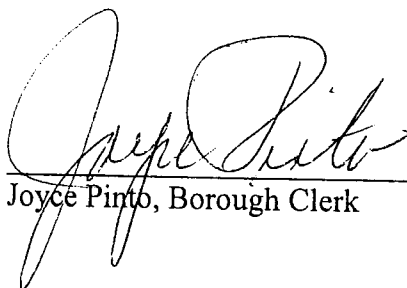

- (1) Class I: residents of the Borough of Runnemede
- (2) Class II: residents of Camden County.
- (3) Class III: other residents of the state.
- (4) Class IV: all other qualified residents.

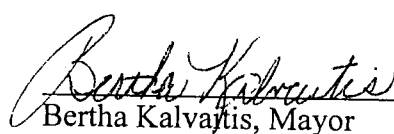

C. Within each such classification, duly qualified applicants who are veterans shall be accorded all such veterans preferences as are provided by law. Persons discharged from the service within six months prior to making application to the Borough, who fulfill the requirements of N.J.S.A. 40A:14-123.1 and who thereby are entitled to appointment notwithstanding their failure to meet the New Jersey residency requirement at the time of their initial application, shall be placed in Class III.

D. In making such appointments, the Borough shall first appoint all those in Class I and then those in each succeeding class in the order above listed and shall appoint a person or persons in any such class only to a vacancy or vacancies remaining after all qualified applicants in the preceding class or classes have been appointed or have declined an offer of appointment

**BE IT FURTHER ORDAINED**, all other ordinances or parts of ordinances inconsistent with the provisions of this Ordinance are hereby repealed to the extent of such inconsistency.

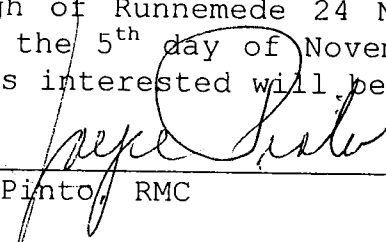

BE IT FURTHER ORDAINED, this Ordinance shall become effective immediately upon final passage and publication as required by law.

**BOROUGH OF RUNNEMEDE**

**ORDINANCE #14-22**

**AN ORDINANCE REGULATING CLASSIFICATION OF APPLICANTS FOR THE FIRE  
DEPARTMENT IN THE BOROUGH OF RUNNEMEDE**

**WHEREAS** Civil Service rules, regulations and the laws of the State of New Jersey allow the municipality to classify eligible candidates for its Police and Fire Departments according to residency, and

**WHEREAS** it would be in the best interest of the Borough of Runnemedede to have as many local residents as possible to be on its Fire Department, as to promote better standard of public safety.

**NOW, THEREFORE, BE IT ORDAINED**, by the governing body of the Borough of Runnemedede in the County of Camden, and State of New Jersey, the Code of the Borough of Runnemedede, County of Camden, State of New Jersey is hereby amended to include § 22-4 – Eligibility, to read as follows:

**§ 22-4 – Eligibility**

A. No person shall be appointed an officer or member of the fire department unless he is a citizen of the United States; is sound in body, of good health sufficient to satisfy the Board of Trustees of the Police and Firemen's Retirement System of New Jersey that such person is eligible to membership in the retirement system; is able to read, write and speak the English language well and intelligently; and is of good moral character. No person shall be so appointed who has been convicted of any crime involving moral turpitude which, in the judgment of the Mayor and Council of the Borough of Runnemedede, would be prejudicial to the morale of the fire department.

B. Before any person shall be appointed as a Firefighter/EMT, the Borough shall classify all the duly qualified applicants for the position or positions to be filled in the following classes:

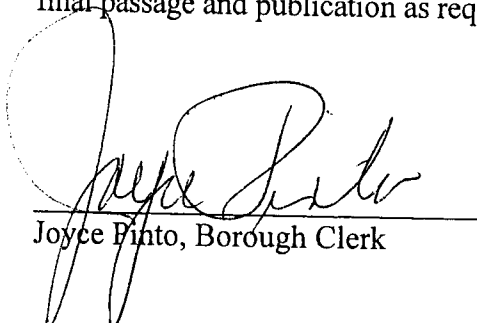

- (1) Class I: residents of the Borough of Runnemedede
- (2) Class II: residents of Camden County.
- (3) Class III: other residents of the state.
- (4) Class IV: all other qualified residents.

C. Within each such classification, duly qualified applicants who are veterans shall be accorded all such veterans preferences as are provided by law. Persons discharged from the service within six months prior to making application to the Borough, who fulfill the requirements of N.J.S.A. 40A:14-10.1 and who thereby are entitled to appointment notwithstanding their failure to meet the New Jersey residency requirement at the time of their initial application, shall be placed in Class III.

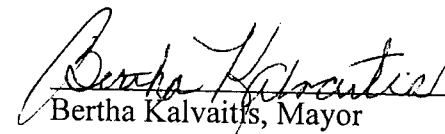

D. In making such appointments, the Borough shall first appoint all those in Class I and then those in each succeeding class in the order above listed and shall appoint a person or persons in any such class only to a vacancy or vacancies remaining after all qualified applicants in the preceding class or classes have been appointed or have declined an offer of appointment

**BE IT FURTHER ORDAINED**, all other ordinances or parts of ordinances inconsistent with the provisions of this Ordinance are hereby repealed to the extent of such inconsistency.

BE IT FURTHER ORDAINED, this Ordinance shall become effective immediately upon final passage and publication as required by law.

BOROUGH OF RUNNEMEDE  
  
Bertha Kalvalis, Mayor

I HEREBY CERTIFY, that the foregoing resolution is a true copy of a resolution adopted by the Mayor and Council of the Borough of Runnemede, New Jersey at a meeting of said Mayor and Council held on the 5th day of November 2014.

IN WITNESS THEREOF, I have hereunto set my hand and affixed the seal of this Borough.

DATED: 11/5/14

  
Joyce Pinto, Borough Clerk
